

General Practice is fantastic value!

£136

is how much each practice is funded, an average, to care for one patient for a year

£240

How much a basic Sky package costs per year

£179

How much a monthly haircut costs per year

£150

How much the cheapest 3G contract costs per year

All practices are required to declare the mean earnings (eg average pay) for GPs working to deliver NHS services at each practice.

The average pay for GPs working at Glenpark Medical Practice in the last year (year ending March 2015) was £44,767, before tax and national insurance. This is for 10 part time GPs.
